

Spring has sprung and Silver Buckle Youth Equestrian Center is ready for this next phase in our organization's journey. The start of this year has brought us a renewed sense of purpose, as we reflect on our past accomplishments and look forward to the exciting changes and activities that lie ahead. Our team is energized, our goals are clear, and the foundation has been set for a year of continued growth and innovation. Together, we are poised to embark on an incredible journey, and I couldn't be more excited for what we will achieve as a unified organization.

Here at Silver Buckle Youth Equestrian Center, you will see a year of transformation, with new events, camps, horse shows, partnerships, and projects that will propel us to even greater heights. As you may see more activity at Silver Buckle in the upcoming months, we continue to foster our mission to positively impact lives through equine-related activities. A special shout out to our staff, students, volunteers, donors and our Rein & Shine 4H club; without you all, we wouldn't be able to implement these changes, and we appreciate you all greatly! Now, let's embrace the opportunities this year will bring and work together to make it our most impactful and rewarding year yet. I look forward to celebrating our upcoming events and continuing to move forward with confidence and enthusiasm. Here's to a bright and exciting year ahead!

Thank you,

Stephanie Macomber

SBYEC Board of Directors | President
