OCTOBER HIGHLIGHTS

Featured Lesson Horse
Paisley

Meet Paisley, an 18-year-old Appendix Quarter Horse mare, who recently joined the SBYEC team as a lesson horse! She is leased from Silver Buckle boarder, Kendra. She is a lovely dun color, is accomplished at showmanship and obstacles, and loves her people once she gets to know them. She's a little shy at first, but she's a gem once she gets comfortable with her rider.
Welcome, Paisley!

Featured Employee
Sarah Long

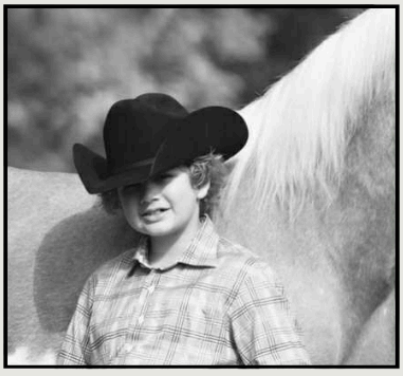

Sarah is our longest-standing instructor at the Buckle. She teaches both English and Western, volunteers in the Rein & Shine 4-h Club, and has two special super powers: 1) speaking as the announcer at horse shows and 2) working with nervous riders and horses. She is very adept at growing the confidence of both horse and rider. We appreciate Sarah and are lucky to have her as a part of our team!

Student Highlight
Ella

Ella has been riding at the Buckle for three years now. She is a level 3a student who primarily rides with Instructor Andrea on either Angel, or her own horse, Jhett. This year, she showed Angel at Novice level at the Clark County Fair in 4-h. They did very well as a team and brought home lots of ribbons, medals and fun memories.
Well done, Ella!

Clark County 4H Qualifying
Western Game Show
June 22, 2025 Clark County Fairgrounds

This was a 4-h event only. There were a lot of people watching and the crowd was cheering on the riders. One rider's horse tripped and fell. The rider fell off but she got back on and nobody was hurt. Everyone looked like they were having fun.

Members competed in the following events: International Flags, Idaho Figure 8, Key Race, Pole Bending, Texas Barrels, and Two Barrel Flag Race. Showmanship was required.

The purpose of this event was to qualify for fair in gaming. The crowd and the riders loved it. Everyone got ribbons in an envelope at the end of day.

I competed with Peaches and I look forward to the next game show.
